

# Dalmatian Rescue of North Texas

Summer 2012

The Golf Tournament preparations are underway! The 11th Annual Shots for Spots Tournament will be held September 30 at The Golf Club at Bridlewood in Flower Mound, TX. Keep an eye out for further information soon on Facebook, your email and snail mail or contact [adoptme@dalpal.com](mailto:adoptme@dalpal.com).

Our Crawfish Boil was so much fun and such a great success that we have decided to make it an annual event! See inside for photos.

Summer is the hardest time for fundraising. We have had a big influx of Rescue Dals this Spring, most with medical needs. Thank you everyone for your continued help with donations and fundraisers to provide medical and surgical care to our pups. Several have already found their forever homes. This is what it is all about after all !

The Krewe of Centaur has invited DRNT to be in the 2013 Mardi Gras parade in Shreveport! More details will be forthcoming. Throw me something Mister!

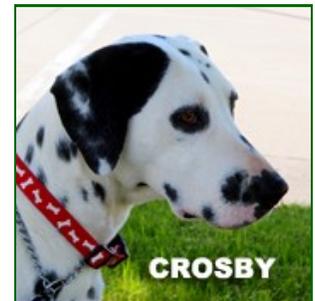

Happy Summer from Cocoa!

### AVAILABLE DALMATIANS

Bunny and Crosby came to us from a local shelter. They are a very close brother and sister and we will only adopt them together. They are young, around 2 years old and both are as sweet as pie. Crosby was very sick with a respiratory infection but has recovered nicely with intensive medical care. They have been spayed and neutered and both are being treated for heartworm. These two will make a family very happy.

Bogart came to us from a local shelter after being picked up as a stray along with another Dal who has since been adopted. He is around 3 years old. Bogart is a friendly, mild mannered and beautifully marked boy who is heartworm negative and neutered. This good looking guy will be a great addition to a lucky family.

Hershey is a great deep chocolate spotted large boy, about 4 years old. He came to us from a local shelter. He has striking looks and is very friendly. Hershey is about 4 years old and gets along with everyone and likes other dogs. He is heartworm positive and will be undergoing treatment soon. Are you the family that will be loving Hershey?

Volunteers are always needed for DRNT. The Dals appreciate all the help you give in the effort to rescue them and help them find their forever homes. No amount of help is ever too small.

Volunteers just like you visit with the dogs several times a week. They get a nice walk, some love and attention and of course, a treat or ten. Thank you to those wonderful people from the Dals!

Paypal donations can be easily made on the [dalpal.com](http://dalpal.com) website.

If you would like to SPOTlight a story and/or picture of your Dal, we would love to add that to the Newsletter. Also, please contact Ann or Pat with Adoption, Birthday, Rainbow Bridge or other announcements you have.

Thank you to The Velvet Snout Kennel and Doggie Daycare for taking such special care of our rescued Dals.
